NOTICE FOR E-LIBRARY ACCOUNT

It is very pleased to inform that Central Library is going to start e-Library facility for library members with knimbus. Though previously Central Library has e-library services, it is upgraded to the next level. So the members are requested to sign up for their new e-Library account.

Sign-up is very simple

For CIT members:

- Access url- <https://citko.new.knimbus.com/user#/home>
- Use your CIT email-account (Who does not have **CIT email**, get your email first and then sign-up).
- Go through **e-Library guide** (attached below).

For Guest members:

- Access url- <https://citko.new.knimbus.com/user#/home>
- Use your valid email account and also sent a proof of **library membership** via email: citlibrary@cit.ac.in. Then only the account will be accepted.
- Go through **e-Library guide** (attached below).

For any help:

1. Consult with Biswajit Paul, LIA, Central Library
2. Write an email to citlibrary@cit.ac.in

With Regards,
Central Library
CIT Kokrajhar

The below table reflects the difference between old and new version of Knimbus.

Active feature

Feature under maintenance.

Feature not available.

Upgraded feature

Feature dropped.

		Groups			Dropped due to less usage.
		Network			Dropped due to less usage.

HOMESCREEN

The screenshot displays the homepage of the National Institute of Technology Calicut eLibrary. The header features the NITC logo, the site title, a search bar, and navigation links. A yellow callout box highlights the home page's purpose. The main content is organized into four sections: Sections, Subjects, Content Type, and Source, each with a grid of tiles representing different resources.

MY LIBRARY / MY KNIMBUS

The screenshot shows the 'MY LIBRARY' section of the National Institute of Technology Calicut eLibrary. The page has a navigation bar with links: Home, Browse, My Library, Remote Access, About NITC, and Contact Us. A search bar is located in the top right corner. The main content area is divided into two columns. The left column, titled 'MY LIBRARY', contains links for 'Favourites', 'Web Klips', and 'Saved Searches'. The right column, titled 'Web Klip', contains a text input field for pasting a link, 'Next' and 'Clear' buttons, and a section titled 'Added Klips' which lists two items: 'Nanotechnology - Wikipedia' and 'Cloud Computing Explained - YouTube'. Three yellow callout boxes with orange arrows point to specific features: 'Access to your favourite content' points to the 'Favourites' link; 'Access to your saved weblinks' points to the 'Web Klip' input field; and 'Access to your saved search' points to the 'Saved Searches' link.

USER PROFILE / MY KNIMBUS

The screenshot shows the 'My Profile' page of the National Institute of Technology Calicut eLibrary. The page has a navigation bar with links: Home, Browse, My Library, Remote Access, About NITC, and Contact Us. A search bar is located in the top right corner. The main content area is divided into two columns. The left column, titled 'My Profile', contains a section titled 'Update your profile' with a yellow callout box. The right column, titled 'Account Settings', contains a section titled 'Personal Info' with fields for Email, Mobile, and Designation. Below this is a section titled 'Work Experience' with fields for Job Title, Company, and a checkbox for 'Is current Company?'. The 'Personal Info' section shows the following details: Email: mrinalini.aggarwal@knimbus.com, Mobile: 9134934932, Designation: Librarian.

Browser Setup Resource(s)

Step by step instructions to setup remote access

To access the resources subscribed by your library outside your campus network, please configure the browser settings first.

These browser settings route all the full text requests from Knimbus to publisher through a proxy server set up for your organization. The process of configuring your browser is given below:

Firefox Chrome Internet Explorer Safari iPhone/iPad Android

Manual Setting

1. Click on the Firefox menu tab and then click options OR from Firefox menu bar: **Tools > Options**
2. Click the advanced icon and then click on the **network tab**.
3. In the **connection area**, click **settings** to bring up the connection settings window.
4. Select **automatic proxy configuration URL**. Copy and paste the following given URL in the box below. (This URL must be copied exactly with no spaces).
http://nitcc.new.knimbus.com/ws/raPacFile?userId=mrinalini.aggarwal_knimbus.com
5. Click **OK**, then close all configuration windows.
6. **Save and restart** the browser.

Note: in Linux (Ubuntu) Firefox options is called preferences and is located in the edit menu.
